Folding Electric Fat Bike

Urban folding electric fat bike, 7 speed

up to 80 km	km/h	672 Wh	48V 250W

Take your adventures even further with the upgraded version of our electric folding fat bike. Now equipped with a more powerful 13 Ah 48V battery and an enhanced motor system, it offers stronger acceleration, longer range, and improved overall performance. The fat tires ensure stable handling on any terrain, while the red accents highlight its premium, aggressive style. Designed for riders who want more power, more distance, and more excitement in every ride.
